Breakers Netball Club's Duty Day was awesome!

Thank you to all involved in the preparation of duty day this year. This is always a huge undertaking and there are many unseen hours contributed to make this success for our club.

Thank you to all the parents, grandparents, families, friends and players that volunteered their time or donations to assist on the day. This support and assistance is greatly appreciated.

This was a very successful day for Breakers Netball Club. I think you will all agree that it was wonderful to see our girls celebrating their club and working hard to sell as many tickets as possible. Well Done to all and thanks again... Go Breakers!

A special thank you to our sponsors on Duty Day

Breakers Netball Club Bunnings Sausage Sizzle

On Saturday, 20th May 2017 we had a Club Fundraising Sausage Sizzle at Bunnings Warehouse. After the threat of terrible weather, the BBQ turned out to be a great success thanks to the rain for holding off! Also thanks to those who came along and helped out or purchased one of our super sausages!
